My god-!!

That was Prince Leehalt
behind him, right??

...According to the survivors, the greatest contributor who brought them to safety from the terrorist threat in Viceport was none other than Prince Lechalt, who held back the terrorists while the hostages were being rescued.

Prince Lechalt will be celebrating his 23rd birthday. His popularity has further increased thanks to his interview with *Hellan Daily*.

According to them, he is 188cm tall, weighing 74kg...

He seems sharp, but his
looks must've made quite
a lot of ladies cry.

I've never seen someone
who's caught my attention
more than Rias sunhae...

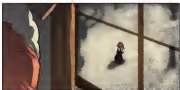

Heeee!

What's this?

I feel a strange
sense of déjà vu...

Incredible

As expected of
a dragon... huh.

Don't worry,
I'm not
interested.

My
grandmother's
target is the
Feng! anyway.

You can, huh?

How much
was your body
worth again?

Worth? Why do
you ask? It can't
be that you feel
sorry right?

The citizens rescued
were completely unheard,
while the nobles were released
just by paying a ransom.

I can't believe
I witnessed such a scene
in my lifetime.

Hehehehehe

Ha...

The whole population knows you were lying at the center of attention, and you're gaining popularity at the same time

Not to mention, Scoble is out of the picture now

Congrats

Let me know when you're ready

Friend

I need to head to the station, so I'll excuse myself.

You're going to the Capital right?

I'll go with you.

Something had happened to me, but

I need to proceed onwards with the plan.

Not only that, I need to give a visit to our glorious king too...

His only surviving offspring.

THUMP

THUMP

Did you know in-advanced?

THUMP

Or was it a coincidence?

Well, I could make a small army with the countless ladies you've met, so it must be a coincidence.

Rebecca

How you loved the notion of being the reason why you were sent to Sparta was because the daughters put in a request for it?

All five families took a heavy hit from this, since all their matriarchs got violent and their slaves escaped!

The Rockwolds' private bank devoted to help them instead...

♪...everything
goes well, the risks
for getting money...

will definitely be
up to the Kachibetsu.
without a doubt.

When that happens,
I'll congratulate you.

Don't think of
it as too much.

My objective
takes the same
road as yours.
